DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

Situated on the east side of South Conococheague Street facing west is a one and a half story, five bay, brick house. It had a continuous dormer added across the front early in the 20th century. It has a standing seam tin roof, wide window frames with ovolo trim, and a Flemish bond brick front. It is probable that this house was built in the late 18th century.
